Key Digital® Announce Compass Alliance™ Partnership with Honeywell, Somfy, and VidaBox

Mount Vernon, NY. Key Digital, Inc. – June 13th, 2014 – Key Digital® is proud to announce a partnership with Honeywell, Somfy, and VidaBox to expand the Compass Alliance™ Partners (CAP) family. Compass Control® represents the first fully integrated major control system built from the ground up to use Apple's iOS devices – iPad®, iPad® Mini, iPhone®, and iPod touch® – as its backbone.

Compass Alliance™ Partners (CAP) along with the companies mentioned above have created a fully integrated control system with driver support for hardware from the following brands: Access Networks, ADA, Aprilaire, Ashly, Boston Acoustics®, ClearOne®, Denon, Furman, ICREALTIME Security Solutions®, Integra, iPort®, LG, Lutron®, Luxul, Marantz®, MechoShade, Nest™, Onkyo®, Pakedge, Panamax, Roku®, Russound®, RCI Custom, SurgeX, Wall-Smart, Wolfvision®, YCD Multimedia and more. Combining the knowledge and expertise from the different CAP brands has allowed Compass Control® to develop a complete turnkey residential or commercial control solution.

Each of Key Digital's new partners brought to the company their profound knowledge of the industry and many years of satisfactory experience:

- **Honeywell** is a Fortune 100 company that invents and manufactures technologies to address some of the world's toughest challenges linked to global macro trends such as energy efficiency, clean energy generation, safety and security, globalization and customer productivity
- **Somfy** is the world's leading manufacturer of specialized motors and control systems for retractable awnings, rolling shutters, interior shades, blinds, and projection screens for residential and commercial use.
- **VidaBox** produces a variety of digital entertainment & control solutions, such as Media Servers, Media NAS systems, audio servers, iPad frames & wall mounts, power-over-CAT5 USB charging solutions, plus other premium AV accessories to help provide complete solutions for integrators. This wide range of products help to achieve seamless control and reliable, multi-room AV distribution of Blu-ray, DVDs, music, pictures, video, and other digital content.

These partnerships have given Compass Control® installers access to some of the best products currently available on the market today. Honeywell, Somfy, and VidaBox added their invaluable experience of the market to further the perfection of Compass Control®. Key Digital® is excited to be pairing with such highly regarded companies that make up a core component of the Compass Alliance™ Partners.
